

REMARKS

The Applicants thank the Examiner for the allowance of claims 20-26, and the indication that claims 2-6, 10, 11, and 27-33 would be allowable if rewritten to overcome the objections set forth in the Office Action. In response, applicants have amended claim 1 to incorporate the elements of claims 2 and 3, thereby putting claims 1 and 4-6 in condition for allowance. Similarly, Applicants have amended claim 9 to incorporate the limitations of claims 10 and 11, thereby putting claims 9, 12, 13, 15, and 16 in condition for allowance. Finally, claim 27 has been amended to clarify the steps relating to the processing of the various frames recited in the claim, thereby putting claims 27-33 into condition for allowance.

CONCLUSION

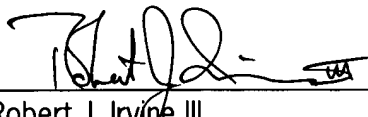

The Applicants submit that the application is in good and proper form for allowance and respectfully request the Examiner to pass this application to issue. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of this application, the Examiner is invited to call the undersigned attorney, at 312-913-3305.

Respectfully submitted,

McDONNELL BOEHNEN
